

## SUBMITTED

To Court Are Several Etherington Cases

On Motions To Admit Defendants To Bail

And Decision Is Expected During Week

Petition To Sell Real Estate In Butler

Stinson Vs. Baird Case Appealed To Common Pleas

In common pleas court on Wednesday, with S. H. Nicholas presiding, the following cases were submitted to the Court upon motion to admit to bail: State of Ohio vs. Art Dover, Frank Graef, Lewis Bolton, Edward Woolard, Edward Owens and Robert Cleveland; the defendants submitting affidavits to the court, and offering in support of their motions the testimony taken before the grand jury. They are all indicted for murder in the first degree, the state charging that they are guilty of the murder of Carl Etherington. The court will probably render a decision some day this week, as next week he will hold court at Mansfield. In several of the above cases pleas in abatement and demurrers to the pleas have been filed, in which pleas the defendants attack the validity, as to the form of, the indictments. These demurrers and pleas will also be passed upon by the court.

State vs. Eleam Tanner, and Orison Hill, indicted for perjury. Submitted on demurrers to the indictments; the question for decision being as to whether the perjury, as charged against the defendants before the grand jury, at the hearing of the Etherington homicide, was material to the issues in controversy at the hearing.—Newark Advocate.

Claimed Threats Made—  
A case against T. J. Archer of Ed-

son was heard in probate, Saturday. Complaint was made that he had made threats against certain persons. The defendant claimed that some one had stoned his house and that he was protecting his property. He was bound over to the grand jury. Bond in the sum of \$200 was furnished.—Mt. Gilead Register.

## D. A. R.

Hold Their Regular Monthly Meeting

And Transact Some Important Business

The regular meeting of Kokosing Chapter of the Daughters of the American Revolution was held on Wednesday evening at the home of Mrs. Thomas D. Simpson on East Chestnut street. The meetings are held only during the winter months and for this reason a great deal of work is necessary at each one to make arrangements and form a program for the work to be done. About fifteen ladies were present on Wednesday evening to take part in the work and to enjoy the elaborate tea which was given with Mrs. Simpson as hostess assisted by her sister, Mrs. Molen. Each guest's place at the table was marked with a beautiful hand-painted place card painted by Mrs. Molen.

The business meeting opened with the roll call after which minutes of the last meeting were read. Mrs. A. P. Tarr read a very interesting paper which gave the standing of the D. A. R. with other like organizations and the result was very pleasing to all of the members present.

Mrs. William Cooper gave an interesting and detailed report of the proceedings of the D. A. R. convention which was held in Springfield, Ohio, on Oct. 26 and 27. The report showed that the organization is advancing in a very rapid manner in all of its departments, which is very encouraging news.

Another matter brought before the meeting was that of looking up the graves of the Revolutionary veterans located in Knox county. It is the aim of the local chapter to locate all of these graves and mark them for the reason that all respect and honor is due the men who faced such perils and hardships in those colonial days of oppression. Any persons knowing the location of graves of Revolutionary veterans will receive the heartiest of thanks if they will communicate the information to Mrs. Frederick Cooper of East Gambier street.

The general work of the D. A. R. is to form children's clubs for the purpose of teaching them patriotism and to bring them up with the feeling that must have inspired the men who fought in the Revolutionary war. It was decided to hold the next meeting of the chapter at the home of Mrs. James Israel of East Gambier street on January 11th.
